# the way we were

(From the Columbia Picture, Rastar Production
Entitled ''THE WAY WE WERE'')
Music by Marvin Hamlisch
Lyrics by Alan and Marilyn Bergman

Mem'ries
Light the corners of my mind,
Misty water color mem'ries
Of the way we were.

Scattered pictures
Of the smiles we left behind,
Smiles we gave to one another
For the way we were.

Can it be that it was all so simple then,
Or has time rewritten ev'ry line?
If we had the chance to do it all again,
Tell me would we? Could we?

Mem'ries
May be beautiful, and yet,
What's too painful to remember
We simply choose to forget.

So it's the laughter
We will remember,
Whenever we remember
The Way We Were.

None of us will forget the winter we had this year! It was cold, hard, and long. It began the end of November. By December 3rd, we had already missed two days of school because of snow. But even with this early warning, none of us were expecting what came next.

January hit hard! Record snowfalls, frozen and burst water pipes, gas shortages, and buses that would not start in record breaking low temperatures, as low as 21 degrees below zero, allowed us to go to school only four days that month. By the end of January, most of us had tired of our extended vacation, and when Alaska began having warmer temperatures than Ohio, we began giving up all hope of spring.

As suddenly as the snow came, it was gone as February arrived with its "hot" temperatures of 20 and 30 degrees. But March came in like a lion, and on March 1st we missed our 17th and final day because of icy road conditions.

# Class Of 1980

OFFICERS: Brent Zickafoose, Tina Salyers, and Fred Watkins

We, the Freshman class of '77, feel that we have taken a big step toward growing up. Gone are the carefree days of childhood. We must now plan ahead, and strive to achieve our goals. Throughout this year, our parents, teachers and friends have given us help and guidance when we've needed it most, and we're grateful.

The Freshmen were represented on the Miss Huntington court by Jenny Leach and her escort, Wesley Lamm. Tina Salyers served as Freshman attendant for Homecoming. Her escort was Jeff Vickers. Other Freshman activities included basketball, cheerleading, track, football, baseball, pom pom, band, French Club and Forerunners.

Overall, it was a very exciting year, and we hope to accomplish just as much in the coming years. Good luck to next year's Freshmen.

# Class Of 1979

The Sophomore Class of 1977 has had a very memorable year. It has certainly been fun.

Teri Uhrig and escort John Chaney represented us on the Miss Huntington Court. Pam Preston and escort Eddie Wright were our representatives on the Homecoming Court.

Many activities which the Sophomores participated in were football, pom pom girls, basketball, baseball, golf, cross-country, track, Forerunners, French Club, band, cheerleading, majorettes, and volleyball. This year Terri Haines received Honorable Mention on the volleyball team.

We are looking forward to our Junior and Senior years at Huntington.

# Class Of 1978

Students of the Junior Class reassembled in the fall of '76 to begin their upperclass position at Huntington. No longer lowly Sophomores, they couldn't help but feel a little superior.

As we retrace the year in memory, one of the most anticipated and gratifying events for the Juniors was the arrival of class rings. Other activities included working at the basketball games, selling magazines, and the Junior-Senior Prom. The Juniors were represented at the Halloween Carnival by Faith Strausbaugh, and at Homecoming by Tatjana Steiner.

June arrived and with the graduation of Seniors came the realization to Juniors that now they were entering their final year at Huntington. All realized that they must now accept their responsibilities as leaders of the school and insure that there would be a lasting remembrance of the Class of '78.

# Class Of 1977

As we look back at the classes and activities of our years at Huntington and think of the halls now empty of '77 Seniors, we can't help but feel rather sad. But each must now move on to a life in which he will reap the rewards for twelve years spent in the seeking of knowledge.

This year, despite trouble, shortages, and conflicts of the world, we, the Seniors of 1977, are leaving Huntington determined to earn an honorable place on the stage of life, to gain some measure of success and, if possible, to leave the world a little better than we found it.

We, the graduating Seniors, have now reached the climax of one stage of life. Over the past twelve years we have gained not only knowledge, but also many new and valued friends among both students and teachers.

This last year of high school has been for many the most exciting and satisfying yet. As we entered the year we felt a great sense of pride in being Seniors. This pride grew steadily as the months passed.

Since the time we entered high school we have spent many important hours studying for research papers and examinations, choosing the right careers, selecting the right colleges, and planning for the future.

Activities of our final year in high school included football, basketball, spring sports, our Halloween Carnival, dances, a Christmas Band Concert, Homecoming, and assemblies. These added zest to our academic program and will mean many treasured memories for each of us in future years.

As the end of our final year approached, most Seniors looked forward eagerly to the prom, our Senior trip, Commencement, and all the wonderful, thrilling events which ended a very important phase of our lives.

After fighting to preserve their Senior trip, the Class of '77 had their spirits raised and their hopes lifted as the annual Halloween Carnival proved to be a success. The money they earned that night brought many a step closer to Washington D.C.

The highlight of the evening was the crowning of Mitzi Crowe, Miss Huntington 1976. Queen Mitzi, escorted by Mark Tisdale, reigned gracefully over her subjects as the evening drew to a close. Once again the Halloween Carnival provided the students of Huntington with a sense of happiness, a feeling of pride, and memories to last a lifetime.

Homecoming 1977 was originally scheduled for January, but the cold, snowy weather kept most of us inside all month and forced Homecoming to be moved to the slightly warmer month of February. Between the reserve and varsity games with Zane Trace on February 19, Homecoming Queen Susanne Sutherland and her court were presented to their cheering fans.

Although we lost our game, our spirits could not be dampened, and we proceeded to the Homecoming dance cheerfully. Disc jockey Joe Murray provided us with great music, and the dance proved to be a fitting ending to an exciting, memorable evening.

# The 1976 Season

Through the efforts of Coach Jim Woods, Huntington High School can now pride itself in owning the newest scoreboard in the area, donated by the Coca-Cola Company.

With the help of the football team and several parent volunteers, the scoreboard was in full operation by our second home game of the '77 football season.

This year's football team also set a new school record of 19 points in a single game in winning over North Adams 19-8.

The 1977 Senior Play Production Class presented IT'S COLD IN THEM THAR HILLS to the high school and elementary classes on May 20, 1977, under the direction of Mrs. Judy Greene.

The story takes place in a quiet mountain shack, inhabited by ordinary mountain folk. It opens as Maw is worried because one of the younger daughters is going to get married before the oldest daughter, Snoddy. Snoddy, who is very shy, ugly, and can't cook, spends most of her time playing with her pet hog. Hubert.

By some act of fate, Bill, the sophisticated dude from the city, and his mother get lost and stumble upon the shack. Snoddy immediately takes a liken to Bill, and Paw "aims to git thet dude fer her."

FROM A FRIEND

# the way we were

(From the Columbia Picture, Rastar Production
Entitled "THE WAY WE WERE")
Music by Marvin Hamlisch
Lyrics by Alan and Marilyn Bergman

Mem'ries
Light the corners of my mind,
Misty water color mem'ries
Of the way we were.

Scattered pictures
Of the smiles we left behind,
Smiles we gave to one another
For the way we were.

Can it be that it was all so simple then,
Or has time rewritten ev'ry line?
If we had the chance to do it all again,
Tell me would we? Could we?

Mem'ries
May be beautiful, and yet,
What's too painful to remember
We simply choose to forget.

So it's the laughter
We will remember,
Whenever we remember
The Way We Were.
